

Jewish Unveilings: Revolutionizing Memorial Tributes... Virtually.

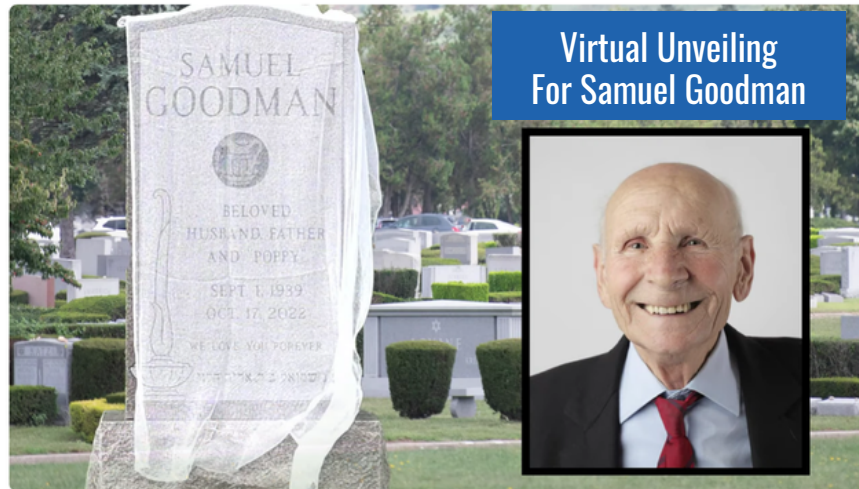

Provides families with an alternative option when gathering for the unveiling is not feasible.

The history of the Jewish unveiling ceremony dates back to biblical times when Jacob marked the grave of his beloved wife, Rachel. Today, this tradition continues, with the unveiling indicating that a monument, "matzeivah", has been set at the graveside. Over time, Jewish families have established a dedication ceremony to commemorate the deceased.

Jewish Unveilings provides families with an alternative option when gathering for the unveiling is not feasible. Their team works in tandem with monument providers, clergy, videographers, and more to ensure that your beautiful memorial is unveiled.
